## **FROM THE DISTRICT DIRECTOR**

**Rick and Elizabeth Broadway**

Greetings all. I hope you are doing well. Just a couple of things to pass on this month. August will be a busy month for the Kentucky District.

The Blast will be August 15– 17 in Cave City. As most of you know this year will be different than the past because we are focusing on riding. With that said there will not be any outside vendors. Each Chapter can set up a booth to make some money for your Chapter. Let's get out and support your District for the last time in Cave City. Liz and I look forward to seeing you at the Blast.

Next is Wing Ding August 27-31 which is just a week after the Blast. GWRRA as always puts on a great rally. We always have a good turn out from Kentucky. One thing that we really need your support with is the KY Workday at Wing Ding. Kentucky's workday this year is on Friday and we will be working the GWRRA store. Please contact Rick and Leah to pick your work block.

Ride safe and have fun

## **Riders on the Storm**

It is a great song by The Doors but not great fun for riding on a motorcycle or trike. How do we know what to do I can only suggest Depending on the weather? Rain is not one of the more fun ways of riding, the harder it rains the less you want to be out in it. Make sure you have the proper gear! Rain gear, it will keep you dry until you can pull of the road and stop.

Lite rain and good visibility slow down and be cautious. Heavy rain you should off and try and wait it out. Lighting pull off the road and seek shelter to wait it out. When it starts raining the roads become slick as the oil from the center of the lanes gets washed off. Tar snakes become slick. Stopping distances are longer and the white stop strip at lights gets slick also.

So, when it rains slow down, if it gets too bad to see or lighting pull off the and find a safe place to stop until it passes, or for the night. Caution is the best way to make sure you arrive safely where you are going. Ride Safe.

## FROM THE MEPC

Jerry & Luanne Williams

Hi GWRRA Members,

WOW-we did have spring weather which was good but a little bit too much rain. The riding season is now in full swing – the summer weather is here and let's get out and invite people to your Chapter meetings and events. They will then find out how much fun we have riding around this beautiful state.

As a reminder, the District is planning the Kentucky Blast, which is from August 15-17 in Cave City, KY. This is always a great time to spend with our Kentucky GWRRA Members as well as many visitors from around our area attend. We will be riding this year, so please try to come and join in the fun!!

Please ensure your Membership is current—GWRRA and our KY Chapters have a lot to offer!!

## NEWSLETTER EDITOR

Danny Drane

Not a lot to write on this month. The Ride In seems to remain popular and starting next year it is being moved around. I think this may be a good move. As for the newsletter, short month on news. Other than The Blast in Cave City this year! Ride safe folks.

Danny not much in the way an article but to say to everyone that as much as motorists need to be aware of motorcycles, we need to be more aware of motorists especially those who look right at you and still do something foolish. Everyone ride safe. Ride aware while traveling to the Blast.

On another note, Chapter "T" s meeting for August has been changed to the 24th. Still at the Ramada and meeting is at 6:00. Thanks for all you do!!
