## FROM THE DISTRICT DIRECTOR

Rick and Elizabeth Broadway

Greetings all, hope you are doing well. First, I want to give a big shout out to Steve Knobe. Congratulations on being awarded the Grand Master level. Well done!

We have a lot happening in the next few months. The ride-in is this month. Pre-registration is going well. This helps us to plan the meal on Saturday. Let's try to really pick up the numbers for next year. This will be the last year at Elizabethtown. We will be moving it around each year for a while. New places to ride and great new experiences.

The Blast, this year as you know we have made some changes to the format. With Wing Ding in our back yard and only a few days after the Blast. The District Staff made the decision to not have vendors this year. This was done so not to put our vendors in a financial bind. Ray and Cathy sent a letter to all the vendors letting them know what we are doing and why. They were very appreciative. The focus this year will be on riding and lots of fun. There will be games, Couple of the year, chapter challenges and more. We are giving each chapter the opportunity to set up a booth that you can make

money for your chapter. You are welcome to pick from the games in the district trailer or bring something with you. The district will provide the bank for you so you will not need to worry about making change.

We are working on the guided rides as we speak. We are looking for your help with leading the rides. If you are a ride captain or someone that leads rides in your chapter and would like to lead a ride at the Blast, please contact Dan Bondurant and let him know. His contact info is on the district web page.

Registration is very important this year. Please send your registration in as soon as possible this really helps us with the planning of events. Let's all come together and make this year's Blast the best one yet.

There is a Trike course at the blast this year. If you are in need please get your registration in soon. Thanks for all you do.

Rick and Liz Broadway

**Leah and Rick Cridlin**

I am packing up to leave for the KY Ride In. I hope that I will see many of you there. Our next District event is the KY Blast. The staff is working to put on a fun filled weekend for everyone.

Have you registered for Wing Ding? It is just down the road in Nashville. Hopefully you can enjoy the weekend there or possibly an overnigher. Be sure to make your reservations soon. I don't think Wing Ding will be this close to use for quite a while. Did you know that next year Wing Ding will be moved back to the 4th of July weekend?

I realize the weather put a damper on some of our rides this spring. I am in hopes the

summer months ahead will be bright and beautiful for some good riding. Are you inviting all your riding friends to join you and your chapter on rides? That is the best way to recruit them for your chapter. Another recruitment tool is to contact your local Honda shop to see if they will let you display your bikes and draw some folks into their store. You know everybody loves to talk about their bike. The next thing you know they will be your couple of the year!

Stay engaged, stay safe and stay happy!
