## **FROM THE DISTRICT DIRECTOR**

**Rick and Elizabeth Broadway**

Greetings all, hope you are well. It's that time of year we are getting the bikes ready for their winter nap and gearing up for the Holidays. Family time is upon us and we are all looking forward to it. GWRRA is a big extension of our family. We spend a lot of time with our Chapter family.

The Holiday party's will soon begin remembering to be safe as you travel around this year. Liz and I wish everyone a safe and fun Holiday this year. We are looking forward to a great New Year.

The District Operations gathering will be February 23<sup>rd</sup> in Shelbyville KY at the First Christian Church again. All are welcome to attend, and we encourage all members to attend. The times and Schedule will be posted to the web page in December or early January. I will also send it to the Chapter Directors.

Be safe and have a wonderful Thanksgiving.

Autumn that's what it was called at one time now we call it Fall. I think of fall as a great time to ride a little cooler, so we dress warmer. OH, but just remember why they call it fall, all the trees drop their leaves and they fall to the ground and roadways. This make is slippery as ice on the road as they can be wet and if we had a frost in the morning Ice could be under the leaves. So be careful and watch out for the leaves on the road and ride with caution. Ride safe and ride watchful.

**NEWSLETTER EDITOR**  
**Danny Drane**

Another month has come and gone and that means another newsletter, another month of great information. As I attend other Gatherings and events, I get many commenting on the newsletter and how much they get out of it. I appreciate Rick giving me the ok to work this the way I know how, or how I believe to be the best. I don't do artsy, I do informative and in a way that is easy to read and easy to understand. I do this with my chapter newsletter also.

That brings up one item for us to think about, what if your information does not get out because you or someone responsible for getting that out did not submit an article for the month. I try to publish on the 10<sup>th</sup> but that date can be moved some as articles do come in late. Fortunately, we don't have a set-in stone time from GWRRA for this to be out to the members and staff.

I would like to ask you to consider when I post the reminders to make it a task to write or send me your article. This to me is important and I really don't like having blank spaces. Besides that, the newsletter looks better filled to the brim with thoughts,

information and ideas of how to ride safe, with friends, and learning even more.....  
 now where did that come from! LOL Happy Thanksgiving everyone and God bless.
