Inside Kentucky

Ready for 2024

January 27th marked the day of the Kentucky Operations Meeting that was held at the Boone County Historical Court-house in Burlington. KRR members from all over the state joined forces to prepare the group for a positive, productive, fun and exciting year. Focus of the meeting was recruitment and membership, and many great ideas were presented by our Chapters on how to increase our numbers in 2024. It's hard to believe that with all the information and planning going on, we still managed to have a lot of FUN!!

Kentucky State Directors

Greetings from the Historic Courthouse in Burlington, KY where we just finished the 2024 Operations Meeting. Leah and I want to thank everyone who attended and shared their ideas to help make the event the success that it was. A special thank you to the State Staff for everything you continue to do to provide the members with quality programs to enhance their membership experience. The Operations Meeting pre-activities consisted of a game night on Friday evening, where everyone had a chance to visit with each other and enjoy some games. It sure sounded like everyone was having a lot of fun and the room really got loud during the Left, Right, Center games. Saturday morning started off with refreshments and announcements, which were followed by break-out sessions with the various programs, and even a Tech-Talk.

Thank you to everyone who hosted a break-out session and to everyone who attended and participated by asking questions, sharing ideas, and offering suggestions. I was definitely left with the impression that everyone was engaged and having a good time, and I couldn't have been more pleased with the feedback I received. Leah and I welcome any further comments or suggestions, which you can share with us anytime.

Next up is the Prom, which is happening later this evening, so I will have to report on that another time. All I can say about it right now is that the decorating process is going great and the room is really transitioning to a celebration atmosphere. It should be a really good time.

There were presentations made during the Operations Meeting about a couple of big events hosted here in Kentucky each year. First up is the Ride-In, which is being held in Henderson, KY this year and hosted by Chapter K. Chapter Directors Bruce and Kathy Hensley presented us with some insight as to what to expect this year and they, and Chapter K, have done a fantastic job planning this. Some things mentioned were rides, games, prizes, food, fun, and fellowship. They even talked about more rides and ice cream. Who could ask for more? I am really looking forward to this and sincerely appreciate all that Chapter K is doing to plan and host this event. Registration forms and more information can be found on the State website at www.kentuckyroadriders.org. Please do yourself a favor and make plans to attend.

The 2023 Passport Program was closed out with a special prize being awarded to all who participated and turned in a passport. A special drawing was held for all completed passports with the winner being awarded free registration to both the 2024 Ride-In and Blast. Congratulations to Kathy Hensley for being the lucky inaugural winner. The Passport Program will continue in 2024 and new passports were issued out and signed off on for the Operations Meeting. Additional passports are available and you can still get credit for the Operations Meeting by attending the 2025 Meeting. This really is a lot of fun and another great reason to visit other chapters as well as attend the Operations Meeting, Ride-In, and Blast. See the State website or contact me or Leah if you have any questions about the program or how to get a passport.

2024 is off to a great start here in Kentucky and we look forward to seeing you all out enjoying the many opportunities provided by both the State and Chapters.

Stay safe and have fun!

- A. Suddenly speed up.
 - B. Suddenly stall.
 - C. Cross into another lane of traffic.
24. When riding three-wheel motorcycles in groups, ride:
- A. In staggered formation.
 - B. In single file.
 - C. Beside other vehicles.
25. When turning a three-wheel motorcycle:
- A. Move back on the seat to increase rear wheel traction.
 - B. Counter steer to reduce lean angle.
 - C. Lean or shift your weight in the direction of the turn.

State Treasurers Report

Jerry and Luanne Williams

Kentucky State Treasurers

Hello Fellow Kentucky Road Riders,

We would like to thank everyone who came to “The Operations Meeting.” We had a great time and it looked like everyone else did too. The Boone County Courthouse is a perfect place to host our Operations Meeting. We played various games on Friday night with of course, snacks and drinks. On Saturday morning/afternoon was the Operations Meeting. On Saturday night, the KRR Prom was a huge success. Everyone was all dressed up, the music by Ethan was great and the food from Olive Garden was delicious. Of course, the dancing was fun and so enjoyable. Thank you to Rick/Leah Cridlin and their State Team.

We had a great turn out and it was great to see everyone in January when we don’t get to see too many of our KRR folks. The weather held out this year - YEAH!

We wanted to share with everyone the 3 lucky winners for the 50/30/20 that took place on Saturday, January 27, 2024. The First-Place winner is: Debi Baldwin (Chapter A) - \$64.00. The Second-Place winner is: Lora Miller (Chapter A) - \$38.00 and the Third-Place winner is: Donita Nardi (Chapter G) - \$26.00 – Congratulations!!

We will be looking forward to seeing you at the next State Event – the KY Ride-In – May 31-June 1, 2024, in Henderson, KY – Chapter K is hosting. This will be fun for sure – we hope you can join us!!

Hello Wing'D riders!

As you read this, the annual Ops Mtg is in the books. I sure hope you took the time to attend; we do it every year and it's your opportunity to voice your concerns/opinions and to hear what is in the pipeline.

Since it's non-riding season (for most of us), it's a great time to take stock of bike maintenance items and apparel.

It's looking like a busy riding season ahead of us, so make sure you're ready!

Ride safe and wear your hearing protection!

Well, we have another Kentucky State Operations meeting in the books. It was a great one full of lots of good information, good learning, great people, and most of all FUN! The new Couples and Individuals of the Year were introduced and our State Couple of the Year: Lora and Dean Miller introduced the new Couple of the Year Mascot “Monty” the Monkey while our State Individual of the Year: Miles Justice introduced the new Individual of the Year Mascot “Zeke” the Zebra! We can’t wait to get to know the Couples and Individuals better through visitation and Mascot chasing!! Also, please remember if the Mascot chasing is not really your thing, then you don’t have to do it. This is not a mandatory requirement, it’s just a creative way to promote Chapter visitation BUT if you do get caught up in the chase like Kent and I did then you might find yourselves having a lot of FUN and that’s what it’s all about!

Congratulations to all the Couples and all the Individuals!

Our New Couple of the Year Mascot (Monty) was won by Chapter G's Couple: Steve and Lesley Holder!

Our New Individual of the Year Mascot (Zeke) was won by Chapter G's Individual: Ron Harper!

Congratulations to Chapter G!

Also, Kent and I wanted to be sure to mention that the Couples and Individuals will soon be receiving a Welcome packet that contains a resume for the State Couple of the Year position and the State Individual of the Year position on the KRR State Staff if anyone is interested. We highly recommend it and will gladly

answer any questions you may have. Our welcome letter from this packet is on the following page and contains the guidelines for chasing the Mascots as well. And finally, don't forget the Patio heater Raffle prize that supports the Couple and Individual of the Year Programs. Chances are only \$2.00 for a chance to win so don't forget to play!

Hi everyone and Congratulations on being chosen as your Chapter's Couple or Individual of the Year! This means you do a lot for your Chapter, and they want to honor you! It also means you get to have a lot of fun! Kent and I were Chapter A's Couple of the Year in 2022 and we had so much fun we decided to run for the State Couple. We were proud to represent both Chapter A and the great state of Kentucky and help promote the Couple of the Year and Individual of the Year programs. We also got to work with the great Kentucky Road Rider staff and make

changes that improve the programs and keep people interested.

The Couple of the Year and Individual of the Year programs are designed to promote visitation between the Chapters by getting out and visiting other Chapters and having fun. One way we do this is by introducing Mascots at the Kentucky Operations Meeting in January. All the Chapter couples and individuals get a ticket for a chance to acquire the mascot. The Couple or Individual with the winning ticket starts the fun with the Mascot and the fun runs until next year's Ops meeting where the Couple or Individual who got it the most throughout the season will get to keep it!

COY/IOY MASCOT GUIDELINES:

1. Once you acquire the Mascot it must be moved to another Chapter within two weeks by way of another Chapter's meeting or another KRR event.
2. When you acquire the Mascot you must let Kent or Karen know that you have it, and which couples were in attendance. Each Couple / Individual gets a point for being present and an additional point if they win the drawing.

Email: Coordinator@kyroadriders.org

3. You must also email Roger Early our KRR webmaster and let him know when and where the Mascot will be available next within 48hrs

Roger: Email: webmaster@kyroadriders.org

What a great Operations Meeting we had this month. Our chapters were able to show off their new Couples and Individuals of the Year for 2024. Our State Couple and Individual revealed our new mascots that hit the road that day.

Chapter G had previously obtained the Traveling Plaque, and now they have both mascots. Chapters, lets go to Chapter G and challenge for these and start building points for your chapters.

As previously mentioned, your couples and individuals now challenge for a full year. They get the maximum benefit of their position and their chapters will be there to support them. We look forward to working with each and every one of you in the coming year. Kent and Karen Risen have created the packets for each couple and individual to be sent out shortly. What a wonderful year we have ahead of us.

Ops Meeting Recap

Hello Kentucky..... What a weekend we had with our social night, Operations meeting and KRR Prom! We had a great time, shared ideas, had some great food, learned a few things and danced the night away. I hope the winter getaway was a good time for everyone!

Our focus at the Operations meeting was marketing and recruiting. We started the discussion on developing recruiting plans. The idea was for the Chapter Directors to take these ideas back to their chapter and complete the plan to help their chapters grow. Without growth what will come of us?

We also discussed how each chapter is different. One chapter goes to supper every week, one chapter is more social than riding. Each chapter is different and that is the beauty of our organization, each chapter operates in a way that meets the needs of the membership. There isn't a cookie cutter design that works for everyone. Meet and exceed the needs of your members and you will grow!

At the state level we are working on marketing materials to provide to the chapters to assist with your recruiting efforts. As they become finalized we will send them to the Chapter Directors. Remember we are here to assist in any way we can. If you have a need or an idea, please let us know. Let's work together to make KRR the place where motorcycle enthusiasts want to be.

Other activities included making a playlist of music that represents us and a KRR crest. Music creates emotion, memories, a mood and usually makes you feel good. Don't be surprised if you don't hear some fun music at a future event or possibly see the crest that was created by a work group at the meeting.

Get your motors running, keep the good ideas flowing and let's make 2024 our best year yet!

Leah
