Kentucky Chapter Visitation Program

Purpose:

To promote Chapter Visitation by attending the events of other Chapters and State events. This exposes members within Kentucky to new friends and FUN activities.

Rule # 1   <u>**All**</u> participants must have **FUN!**

Rule # 2   A minimum of two (2) Chapter Participants with a current Wing'd Riders membership are required to count for a Chapter Visitation.

Rule # 3   Members of the State Team that reside in Kentucky are allowed to participate in the Chapter Visitation Program for their Home Chapter only. State Team members will not represent other chapters.

Rule # 4   Multi-Chapter Events - Only the host Chapter counts for Visitation not each individual Chapter involved. (Poker Run, Fun Day, Maintenance Day) This will keep visiting chapters from taking credit for the event.

Rule # 5   The Chapter Visitation Program will start on August 1st and run to July 31st of the following year.

Rule # 6   August, November, January, and February are double visitation points for ALL chapters. All Chapters will have a designated month during the year. Just another incentive for you to get out and visit your Kentucky Road Riders friends and to have FUN!

Example: Miles Points 40 + Participants Points 30 + Event Type 25 = 95 (Total). 95 + 95 = 190 (Grand Total)

Rule # 7   Bonus points will be awarded at the end of the year to each Chapter, based on the total number of Chapters they visited during the year.

Bonus Number	Points
5 - 10	100
11 - 15	200
16 - 20	300
21 - 25	500
26 - 30	750
31- 37	1000

A cash prize ($100) will be awarded to the top Chapter.
